

**CITY OF LODI  
COUNCIL COMMUNICATION**

**AGENDA TITLE:** Adopt a resolution awarding the contract for Blakely Park/Enze Pool Plastering Project, 1050 S. Stockton Street to Burkett Pool Plastering (\$50,148.00), and appropriate funds

**MEETING DATE:** January 5, 2005

**PREPARED BY:** Parks and Recreation Director

**RECOMMENDED ACTION:** That the City Council adopt a resolution awarding the contract for the above project to Burkett Pool Plastering of Salida in the amount of \$50,148.00; and appropriate funds in accordance with the recommendation shown below.

**BACKGROUND INFORMATION:** Plans, specifications and authorization to advertise for bids for the above project were approved by the City Council at their regular meeting November 17, 2004. A bid opening was held on December 15, 2004, and one bid was received.

The work shall consist of removing and disposing the existing fiberglass pool shell which is delaminating from the existing pool plaster. The existing plaster pool shall be prepared for a new ½ inch thick plaster overlay along with (6) new ceramic tile races lanes and (12) new ceramic tile wall targets.

During the bid advertisement time period, staff contacted a number of pool plastering contractors to make them aware that the project was out to bid. Staff also contacted Randy Mendioroz of the Aquatic Design Group which worked on the design for the Lodi Aquatic Complex project. Randy provided staff with a number of Northern California pool plastering contractors in which Burkett Pool Plastering was one.

Although the bid proposal from Burkett Pool Plastering is \$10,340 higher than the engineer's estimate, staff feels that Burkett Pool Plastering has provided the City with a fair price. Staff believes if the project is re-bid, the City would not receive bids significantly lower than Burkett Pool Plastering. Staff would also like to maintain the current construction schedule so that the completion of the project would be completed prior to the 2005 swim season.
